LETTERS

United German Hungarians,

I was given your cookbook from a cousin that lives in Philadelphia. I am so glad that I am able to make many of the dishes my mother used to cook, but never had a recipe for any of them. It brings back many memories.

My mother was born in Stari Lec, Banat close to Versac, near the Romanian border.

Thank you for printing a great cookbook.

Mrs. Hilda Leonhardt,
Vancouver, WA

101 Anniversary Banquet

On Saturday, March 26th, the German Hungarians will be celebrating their 101st Anniversary Banquet. It may seem like just yesterday that we celebrated our 100th banquet when in reality it was four months ago.

According to our present constitution, it is the custom of our organization to celebrate this event on the 4th Saturday of the month of March except when that Saturday falls on the day before Easter. Then it is celebrated on the first Saturday of April.

However, when we celebrated our 75th and 100th anniversary, we chose to celebrate as close to the founding date as possible. The founding date is November 17th.

We had a huge attendance at the 100th Banquet and we expect our members to again show their support at our 101st Anniversary Celebration.

We need all our members support as we enter into our 2nd 100 years. We are now in the same pioneer spirit that the founders of our club were in, in the year 1911. Although we hope to "Continue our Proud Traditions", we have many obstacles and battles to go through, if we are to remain unbowed. We can do this only if we remain together and united. We need courageous leaders and followers! We need men and women who are not afraid to assume the interest and duties of our club. We need Chairmen and Committee members who are willing to do their share of work. If we agree to all share, no one person is saddled with all the work. Remember, if one person is supposed to slice 100 pounds of potatoes, it is a huge undertaking; but if 20 people are to slice them, it is a much smaller task and quite possible. There are many such tasks to be done here. We need everyone.

Plan to attend our banquet on March 26th and also our General Membership Meeting on Sunday, March 6th. Show your support in the future of the United German Hungarians.

Well on Saturday and Sunday, May 28 and 29th, we will again be the host to the National Donauschwaben but it will be for the **National Soccer Tournament** to be held at our club. Since our **Soccerfest/Fathers Day Picnic** has been such a popular event, we have added some new entertainment to the day – **Jimmy and the Parrots**. This band is one of the most requested Jimmy Buffett cover bands in the country. Jimmy and the Parrots perform not only all the great Buffett songs you love, they also play new and classic rock ‘n roll, as well as outstanding original songs written by lead singer/guitarist Jimmy Maraventano. Their cover songs include favorites by the Beach Boys, Paul Simon, Jerry Jeff Walker, Harry Belafonte, and Bob Marley, among many others. The band truly appeals to all ages and all musical tastes.

Sometime during these months, hopefully we will have the **Second Annual GH Soccer Team Reunion**. The first in 2010 was successful. Just make sure all you guys who played in the 1950 teams and are still around, attend this time!!!

Monthly News

Volume 1 January, 1946 Number 1

“It was a pleasant surprise the way the Board of Directors and the members of each Section support this idea. (*A club newspaper*) We now have established our “Staff” Each section has its reporter, and it is up to them and all of you to send in your little news items, to make our “news” original and interesting. We shall appreciate any suggestions you may care to make. Do not hesitate to write. The success or failure of this “news” depends entirely upon your interest and cooperation. I personally believe this “news” will help enormously to bring all us closer and enable us to work together harmoniously.”

Editors Note: The above paragraph was written by Ted Kereczmann in the club’s first newsletter on the first page in a column he entitled: “A Progressive Move Forward!” The information is still significant today. Those of us (actually two of us) who work on this newsletter would love to hear from our committees and groups as well as our members. You do not have to write to us, you can also email us at ehfricker@hotmail.com.
