May 24, 2010

Dear Member,

For 100 years the United German Hungarians have been a vital center of the German American Community. You are currently listed as an active member.

It is within the building that bears the name United German Hungarian Club that we gather to acknowledge our common bonds and participate in the social activities of the Club. It is here that our children first experience the life we love. It is under this roof that our young people are strengthened in our traditions and grow to take on greater responsibility within our club.

The brick and mortar that form the walls of our building are deeply connected to the mission of the German Hungarian Family providing us with a home for our social endeavors, weddings, and christenings. We feel a responsibility to provide our members with a worthy facility that fulfills our needs. In short, it is with this mission of our hard work that we are beginning the task of renovating and upgrading our clubhouse.

As you may have noticed, work has already begun in our main bar. The Building Committee will be meeting to finalize our financial information and plans. Our goal is to go to this meeting with an accurate picture of our financial resources, so that we can move forward into the construction phase of the project with confidence.

In order for our Capital Campaign to be truly successful, we need the support of every member, including you. Every gift helps – as little as \$10.00 a week adds up to over \$500.00 in the course of a 1-year pledge. Your gift, when united with the gifts of other members, will bring us to the goal of making our Club the home of which we can all be proud.

Pledges will be proudly displayed in our 100th Anniversary Commemorative Book so that your contribution will be recorded in our history. Make a pledge today to help keep the United German Hungarians strong for our next generation.

Sincerely

William Galgon
President
United German Hungarians
