The membership structure for 2020 will remain the same as last year. The structure, as approved by the Board of Governors, is outlined below.

**Introductory Membership (Non-Voting, All Ages):** \$25.00/member

*Valid for one year, non-renewable, only valid for first time members never holding a previous membership, not valid for members participating in club activities including cultural and soccer.*

**General Membership (Formerly Associate, Non-Voting, All Ages):** \$50.00/member

**Certified Membership (Voting, All Ages):** \$75.00/member

*Applies to current Life Members, Certified Members, or Certificate Holders.  
New Certified Membership requires one-time application fee of \$500.00.*

**Progress (Newsletter):** \$15.00 for mailed copy (No additional fee for Email delivery)

We will continue using our online system as the primary method for application and payment. For those members that do not have online access, and did not provide us with an email address, we will continue to mail the application to your home. To streamline our process and reduce the workload on our volunteers, we would like everyone that has online access to use this process for completion of your application and payment. If you cannot use the online application or online payment, we will gladly continue to accept paper applications and checks/cash for payment. A paper application can be downloaded from our website at [www.ughclub.us](http://www.ughclub.us) by clicking the "Membership" link at the top of the page.

Please note that renewals can no longer be processed without either an online application or a signed paper application. Everyone MUST complete an actual application to comply with membership recording regulations. Payment cannot be accepted without an application.

The online process consists of two steps: application and payment. Go to [www.ughclub.us](http://www.ughclub.us) and click on the “Membership” link at the top. Once on our Membership page, click “Online Membership Form” to complete your application. After you complete

the application, return to the Membership page and click on “Pay Online”. This will take you to a secure site managed by our payment company Square, Inc. Scroll down to the Membership options, click on each membership type that you need, and select “Add to Basket”. After you have added each type, select “Go to Basket”. At that point, you can update the number of each membership type that you are paying for. Once the basket is correct, select “Checkout” and complete the payment process.

As a reminder, Club Membership is required by “ANYONE” participating in “ANY” aspect of our organization. All adults (18 years and older) participating/volunteering in any aspect of the organization must maintain a valid membership.

Anyone receiving a new Introductory Membership in 2019, your membership is valid through 2020 and no payment is required at this time. Anyone receiving an Introductory Membership in 2018 must renew at a General Membership Level.

Please submit your membership renewal by January 31, 2020.

I also ask that each of our current members encourage and seek out potential new members to allow are club community to grow and thrive. With the addition of a \$25 Introductory Membership, we have made it more affordable for new members to take some time to find out what we are about before committing to a full membership.

Any questions may be directed to me at [ughclub@ughclub.us](mailto:ughclub@ughclub.us).

Thank you for your participation in our programs and your dedication to the club!
